## DRIVERS VOTE TO CONTINUE STRIKE

**Bell** Follows Adjournment of  
Meeting When Union Men Collide With Body of Nonunion  
Teamsters.

Chicago, July 16.—The express drivers formerly employed by the seven railroads express companies will remain on strike for the present at least. It was decided upon today by the members of the Express Drivers Union, when a referendum vote was taken on a proposal of calling off the strike.

A serious riot was narrowly averted to-night when a number of union and nonunion teamsters, who have taken the places of the strikers, have been living in the vicinity of union headquarters. To-night, when the union men were departing from Brittinger's Hall, they encountered some of the nonunion drivers. A fight followed immediately.

The nonunionists were getting the word in, but reinforcements were sent to their headquarters near by, and a general fight was soon in progress. Clubs and bricks were being used indiscriminately, and several shots were fired, but the police, who were summoned, arrived in time to prevent bloodshed. It was necessary to make several arrests, however, before the opposing factions could be separated.

Later in the day another disturbance was furnished by the delegates to a meeting of the Chicago Federation of Labor. Interests over the question in which the election of officers of the federation was being carried on brought about the trouble.

During the disturbance, records were brought into play and the ballot box was stolen. Michael Finneran, president of the Amalgamated Order of Tinmen of America, was elected chairman. The records and was taken unconscious from the box. Many records were cut and torn, and the contents were scattered over the received records.

It was agreed to call the polls to restore order before voting could be resumed.
